

00 11 16 - INVITATION TO BID

NOTICE is hereby given that the PORT OF KALAMA will be receiving SEALED BIDS at the Port Office, 110 West Marine Drive, Kalama, Washington 98625 until July 16, 2020 11:00 AM, for the Port of Kalama New Visitor Dock & Central Access project.

The bids will then and there be publicly opened and read aloud. Any bids received after the published bid submittal time cannot be considered and will not be accepted by the Port.

Bid packets containing plans, specifications, and detailed instructions to bidders may be obtained after June 18, 2020. Bid packages may be picked up at J2 Blue Print Supply Co., located at 8100 NE St. Johns Road, Suite B101, Vancouver, WA, or send your requests to bid@j2b.com. Printed plans and specifications are available for the cost of reproduction. Bidders must register in J2's plan center.

The Work includes:

All labor, materials, tools, equipment, permits, testing, training, and supervision for the installation of all components of the New Visitor Dock & Central Access project as shown in the plans and specifications, generally including:

1. Prepare required submittals and attend required meetings with the Owner and regulatory agencies as required by permits for the project.
2. Prepare dredging work plan for submittal to the agencies.
3. Mobilize to the site.
4. Implement temporary site controls including traffic controls, marine environmental/ water quality controls and temporary erosion and sediment controls (TESC).
5. Dredging and riprap slope protection.
6. Establish temporary connections for utilities (fire line, potable water, sewer) across central access pier to marina floats during construction activities.
7. Demolish and remove existing central access pier, gangways and landing floats. Demolish promenade handrailing at new visitor dock pier location. Relocate piles and hoops as required for new central access configuration.
8. Extract single timber pile at fuel dock and replace with new steel pipe pile.
9. Furnish and install new central access pier, gangways and landing floats. Install new connection for fire line, potable water line and sewer pumpout for service to marina across central access pier and gangways. Install new gate house structure and controls on pier.
10. Furnish and install new visitor dock floats, approach pier, and gangway. Install new fire line, hydrants, life rings and dock ladders on new visitor dock.
11. Furnish and install new lighting and electrical service on new visitor dock.
12. Furnish and install new promenade lighting.
13. Demobilize equipment, labor, temporary facilities and unused materials from the site.
14. Other work required to complete the primary tasks identified above and described in the Contract Documents.

All contractors MUST comply with the prevailing wage and anti-discrimination laws of the State of Washington, and pay all associated fees. The Port of Kalama will comply with the statutory retainage requirements for public works contracts. The Port of Kalama is an equal opportunity employer.

The scheduled date for the mandatory pre-bid meeting is June 30, 2020, at 10:00 AM, at the Port of

Kalama Office (110 West Marine Drive, Kalama, WA 98625). Bidders are responsible to furnish and use a mask for the pre-bid meeting, in compliance with CDC recommendations in response to COVID-19 concerns.

Bids may NOT be withdrawn or canceled by the bidder for a period of sixty (60) days following the bid opening. For further information contact Darin Sampson, Maintenance Superintendent, Port of Kalama, at (360) 673-2325 or dsampson@portofkalama.com.

This invitation will be advertised on June 18 and June 25, 2020.
