

## Notice of Changes to Temporary Moorage, effective 10/1/21

The Port of Kalama would like to thank all of you for utilizing the temporary moorage over the years. We appreciate your business and patronage. We have recently renovated the marina and added a second guest dock with over 500 feet of moorage. Due to this we will be discontinuing the temporary moorage in our boathouse docks, as well as the annual reservation process.

Beginning October 2021, the Port of Kalama will no longer offer temporary moorage slips for month to month use. We invite you to stay and enjoy the new guest docks! Both docks are on a first come first serve basis. The south guest dock offers power and water. The new, longer guest dock only provides power.

We apologize for any inconvenience and hope to see you on the guest dock soon!

Please feel free to contact our office for further information.

- Boats Under 30' - \$11.00 Per Use Up to 24 Hours
- Boats 31' and Up - \$15.50 Per Use Up to 24 Hours
- Both guest docks are First Come First Serve - No Reservations are Accepted
